COLORADO LEAGUE OF CHARTER SCHOOLS

2027 Finance & Operations TA Programs

WELCOME

Supporting charter school success

Targeted expertise, practical tools, and opportunities to learn from peers

01

Strengthen school systems

Build financial and operational capacity to support long-term sustainability.

02

Support school leaders

Connect leaders with experienced coaches and practical professional learning.

03

Match support to school needs

Choose the program that best fits your school’s priorities and stage of development.

PROGRAM OVERVIEW

Four programs, different areas of support

Which opportunity best fits your school?

PROGRAM	PRIMARY FOCUS	BEST SUITED FOR
Finance Community of Practice	Financial leadership, budgeting, strategic decisions	School leaders and finance professionals
Procurement Coaching	Purchasing practices, vendors, and internal controls	Schools seeking stronger purchasing systems
Startup Coaching Year 0	Financial and operational readiness for opening	New schools opening in fall 2027
Operations Leader Fellowship	Operations leadership, systems, and projects	School operations leaders

PARTICIPATION

Participation & eligibility

Grant-funded support with limited spaces available

No cost to selected participants

These programs are funded through Great Schools Colorado.

Open to eligible charter schools

GSC subgrantees receive priority consideration. Other eligible schools may participate as space allows.

Program-specific expectations

Providers will explain eligibility, time commitments, and ideal participants.

TECHNICAL ASSISTANCE

Provider Presentations

Afton Partners • BuyQ • LeadJoy • SchoolOps

Each provider will share program details and participation expectations.
