

## 6th Grade Teacher

### Job Summary:

As we expand our middle school program, we are seeking a passionate and dynamic 6th Grade Teacher who thrives in a collaborative environment and is dedicated to fostering an engaging, multidisciplinary learning experience for students.

### Key Responsibilities:

- Collaborate with teammates to develop and implement interdisciplinary units of study that connect concepts across multiple subjects.
- Participate actively in team meetings to plan, share ideas, and assess the effectiveness of collaborative teaching strategies.
- Foster a classroom environment that encourages curiosity, creativity, and critical thinking.
- Differentiate instruction to meet the diverse needs of students and ensure every learner has the opportunity to succeed.
- Collaborate with parents, specialists, and colleagues to develop, implement, and monitor student plans including Individualized Education Plans (IEPs) and Advanced Learning Plans (ALPs) that support diverse learner needs and promote academic success.
- Assess student progress regularly and use data to inform instructional decisions.
- Communicate effectively with parents, guardians, and school staff to support student growth and success.

### Education and Licensure

- Bachelor's degree and/or teaching license in education or related field

### What We Offer:

- Competitive salary and benefits
- A supportive and collaborative teaching team.
- Professional development opportunities focused on multidisciplinary approaches and our adopted curriculums (EL Language Arts, STEMScopes, Illustrative Mathematics).
- Access to modern classroom tools and resources.
- A vibrant school community passionate about holistic education.
