

Elevate & Renew

A Charter Renewal Readiness Network

One-Year Program | 7 Cohort Sessions | UIP-Aligned Two-Year Strategy

A Strategic Investment in Leadership and Renewal Readiness

Schools entering renewal within the next 1–3 years — particularly those identified as *Improvement* under the Colorado School Performance Framework (SPF) — are entering a pivotal window that will shape their next chapter.

Renewal is more than compliance. It requires:

- Clear academic priorities
- Strong instructional and progress-monitoring systems
- Financial and operational sustainability
- Measurable evidence of growth
- Aligned, confident leadership

Elevate & Renew is a structured, one-year partnership that strengthens performance while building a focused, renewal-aligned runway.

This is not a generic leadership program. It is a school-specific, data-driven experience grounded in each school's context, systems, and priorities.

Designed For

- Schools entering renewal within 1–3 years
- Schools identified as *Improvement* seeking accelerated SPF progress
- Principals strengthening academic and operational leadership
- School leaders in transition
- Executive Directors seeking structured renewal preparation and risk mitigation

What Schools Gain

By the end of the year, participating schools will have:

- A comprehensive School Quality Review (SQR) establishing a renewal-aligned academic and operational baseline
- Individualized leadership coaching aligned to identified priorities
- Seven facilitated cohort sessions focused on execution and accountability
- A measurable, two-year strategic plan aligned directly to UIP priorities
- Strengthened systems for monitoring academic progress and operational health
- Organized renewal-aligned evidence

Program Timeline & Sequenced Improvement Arc

Elevate & Renew moves schools through four structured phases:

Phase 1: Diagnosis & Priority Setting (April–May)

- Launch & Orientation
 - School Quality Review (SQR)
 - SQR Debrief & Selection of 2–3 UIP-Aligned Priorities
 - 1:1 Coaching to translate findings into focused strategy
-

Phase 2: Strategy Design & Academic Alignment (June)

- Two-Year Strategy Framework Development
 - Academic Acceleration & SPF Alignment
 - Coaching to refine milestones, ownership, and monitoring systems
-

Phase 3: Implementation & Sustainability (September–October)

- Implementation Support & Peer Problem-Solving
 - 1:1 Coaching for barrier removal and progress monitoring
 - Strategic operational and budget sustainability sessions
 - Enrollment and staffing alignment
 - Governance and financial systems strengthening
-

Phase 4: Evidence Building & Renewal Readiness (November–December)

- Organize renewal-aligned evidence
 - Finalize two-year UIP-aligned strategy
 - Confirm year-two execution plan and renewal runway
-

End-of-Program Outcomes

Schools leave Elevate & Renew with:

- A renewal-aligned academic and operational baseline
 - Strengthened systems for schools identified as *Improvement*
 - Early evidence of academic growth and improved sustainability
 - A peer network and tested strategies
 - A clear, actionable two-year strategic roadmap
-

Investment

\$15,000 per school

Includes:

- Full School Quality Review with written findings
- Seven cohort session
- Individualized 1:1 leadership coaching
- CLCS-led operational and financial sustainability support
- Tools, templates, and renewal-aligned strategy development

Limited scholarship support may be available.
