Booth space

- All exhibitor booths include one full registration, power, a pipe and draped, 10-foot space, a six-foot table and one chair.
- Sponsor booths are 10-foot booths unless noted as “double” in which case they are 20 feet wide and 10 feet deep. We ask that you would respect the space of your neighbors and stay within your space.

Traffic Builders and Games

As part of our efforts to increase traffic to our Sponsors and Exhibitors, all attendees will receive a Grid Game card when they register. To play the game, attendees will visit Sponsor and Exhibitor booths and have their game cards signed in order to be entered into the prize drawings. Have your pens ready to sign each card as people spend time with you.

We are also dedicating a block of time Tuesday and Wednesday for Exhibit Hall visits as well as hosting the League's Happy Hour in the Exhibit Hall on Tuesday. The Monday VIP Happy Hour is hosted in the Sponsor Atrium. The League booth will again be in the Exhibit Hall to draw additional traffic to that location.
