Seven New Subgrantees Selected

As of May 5, 2026, the Great Schools Colorado team has selected seven new subgrantees for funding, contingent on meeting all grant requirements.

This new cohort of subgrantees exemplifies innovation, collaboration, and academic excellence across Colorado. Grant funds will be used to support new, expansion, and replication schools in delivering high-quality, community-grounded education to K-12 students.

We're excited to distribute these funds to exceptional charter schools throughout the state.
