Flagstaff Academy Charter School Teachers Receive More Than \$15,000 in Grants from the Colorado Department of Education

Longmont, Colorado - [September 18, 2023] - Flagstaff Academy is pleased to announce that 23 of our dedicated educators have been awarded grants totaling more than \$15,000. The Colorado Department of Education, in collaboration with DonorsChoose, provided up to \$1,000 in funding per teacher to help purchase classroom supplies.

These grants will enable Flagstaff Academy educators to implement creative and engaging educational initiatives that align with the school's commitment to providing a world-class learning environment. By leveraging this funding, teachers now have additional resources to enhance the educational experience and inspire our students to reach their full potential.

"We are immensely proud of our teachers and their dedication to innovative teaching practices," said Katie Gustafson, Flagstaff Academy Executive Principal. "This grant funding will further empower them to create enriching learning experiences that will benefit our students for years to come."

Items purchased through the grant program include:

- Vocabulary and sight-word games
- Alphabet activities
- Word building games
- Phonics and phonemic awareness building manipulatives
- Math and strategy board games
- Classroom furniture
- Art supplies

- Robotics kits
- Keyboards and mice for the Flagstaff Academy Innovation Lab
- A microscope and solar panels for the greenhouse classroom

Flagstaff Academy extends its gratitude to the Colorado Department of Education for their continued support of educational excellence and their recognition of the outstanding work being done by our educators.
