

## **Staples Back to School Supplies Program**

Hello Charter Schools,

It is that time of year when summer is approaching and before you know it back to school supplies become urgent for next year. Staples is here to help:

Program Highlights:

- Options to **lock in pricing** for back to school. Work with Andy on qualifying items.
- **Inventory management** process so larger quantity orders are available before school starts.
- **No billing** until product is delivered, great for budgets beginning July 1.
- **Competitive pricing** through BuyQ cooperative purchasing program, in many cases performing 14% below market comparisons.
- **Build your school supply list** on staplesadvantage.com, let us price the items and make sure inventory is available when it is time to order.
  - If you do not have a user id and password to the dedicated Colorado League of Charter Schools Staples Advantage account, please contact Andy.
