CHARTER SCHOOLS

# COLORADO CHARTER SCHOOLS ANNUAL CONFERENCE 2025

Dear Sponsors and Exhibitors,

**P**lease join us on February 26, 27 & 28 at the Colorado Charter Schools Annual Conference in Denver, where school leaders, board members, business managers, and administrative and classroom staff from over 260 charter schools, serving 135,000+ students in more than 70 communities across Colorado all come together. Our annual, in-person convening draws between 900-1100 attendees, including school leaders who lead, run, manage, and purchase for the charter schools in the state. We hope that you take advantage of a robust opportunity to exchange ideas, strategies, and solutions with our members who operate high-quality, public schools for students.

**This 2025 Prospectus outlines your opportunities to advance the movement, the League, and positive outcomes for students, families, schools, and leaders, while also helping you increase your exposure and connect with this vital market.**

The Colorado Charter Schools Annual Conference brings together school leaders, board members, authorizers, operations staff, teachers, support staff, technology staff, and advocates to learn, inspire, and engage charter school topics. Join us in celebrating the quality of such an outstanding group.

In 2024 over 930 people attended from 142 schools, including charter school networks.

This year, we're seeking to build on that momentum. For the League's 30th anniversary we are creating special registration offers for school leaders and expect to top 1000 participants total.

# SPONSOR AND SUPPORT ED-TECH & ESPORTS AT THE 2025 ANNUAL CONFERENCE

Your support of charter schools in Colorado is important. Our events ensure that our members have access to the latest products and services you provide, in an energized and focused setting. We know you will create new relationships and see the value of supporting the League and our dedicated charter support and advocacy efforts, while connecting to members and partners.

## Strategic Opportunities:

1. Use a booth as a meeting location,
2. Present at a Solution Session,
3. Network at two happy hours,
4. Take advantage of built-in, exclusive ED-TECH & ESPORTS visitation hours and promotion,
5. Build your name recognition through videos, electronic, or printed signs,
6. Link to your website through the League website and event app,
7. Build social media traffic by engaging attendees during the event,
8. Utilize complimentary lead generation apps for the conference, and
9. Use the Grid Game as a means to capture leads and talk about your offerings with our attendees.
