**Overview of Position**

Flagstaff Academy is seeking a full time Middle School Science Teacher for the 2026-2027 school year. The candidate is responsible for teaching students in grades six through eight. The position requires close collaboration with the Middle School Team to ensure that there is a meaningful scope and sequence for the middle school Core Knowledge curriculum.

**Qualifications sought**

We seek a talented educator who can inspire students and teachers while being inspired by our mission -- “where science and technology take flight.” The successful candidate is expected to deliver dynamic educational experiences with high educational expectations and accountability.

Specifically, we seek an educator with:

- subject expertise in physical science, life science, and earth and space science,
- good communication, organizational, and interpersonal skills,
- the ability to work collaboratively,
- excellent communication skills,
- a willingness to work closely with families,
- ability to form positive relationships with adolescents,
- effective instructional delivery techniques,
- proven ability to differentiate instruction and meet the needs of all students.

The candidate’s pedagogy should be student-centered and practiced in differentiated instruction with a particular focus on the teaching of language arts through investigation and inquiry.

Job Skills and Qualifications:

1. Current Colorado teaching license
2. Ability to interpret and communicate student data
3. Strong systems orientation and commitment to follow-through
4. Experience working with middle school students
5. Three years teaching experience preferred

**About Flagstaff Academy Charter School**

Located in Longmont, Flagstaff Academy is a tuition-free public charter school serving grades kindergarten through eighth. Our school also offers a tuition-based full- and part-time preschool program for three and four year olds.
