

Colorado League of
Charter Schools

Action

Students First.

Supporting quality, choice and equity
in public education.

Those charter schools are “**like private schools at public expense.**”

Colorado State Representative

Colorado has more than **260 charter schools** that serve more than **136,000 students**.

When we speak with one voice, we're a powerful political force.

The **CLCS**

Action Small Donor Committee amplifies that voice by combining your contribution with those from other members of the charter school community to support charter school allies running for elected office.
