## HB21-1129:

### Extend Deadline for Training to Teach Reading

**Sponsored by:**

Barbara McLachlan (D), Mary Bradfield (R), Jeff Bridges (D), Tammy Story (D).

Effective Date: May 10, 2021

**Overview:**

Under current law, local education providers that receive early literacy funding must ensure that kindergarten through third grade teachers complete evidence-based training on teaching reading by the beginning of the 2021-22 school year. The bill delays the deadline until the beginning of the 2022-23 school year.

The bill delays the deadline for teachers to complete the required training, but does not change state or school district workload, revenue, or expenditures required to implement the training.
