Thank you for considering support for the Colorado League of Charter Schools' 2026 Leadership Summit on Friday, October 2, 2026.

As the only charter school advocacy organization dedicated to leading the entire Colorado sector forward, we're proud to convene the sector at this critical time for our fall gathering. With so many issues surrounding education—from school board elections to national issues to charter school politics and student performance—it is more important than ever that we gather to focus on how we Connect at the Crossroads.

The Leadership Summit is part one of two major events, alongside our Annual Conference, designed to demonstrate how we collectively make an impact through advocacy, policy, legislation, student focus, quality, and growth.
