

High School Math Teacher

Job description:

Are you an innovative, purpose-driven High School Math Teacher? Do you like to laugh every day? Do you want to work in a collaborative, inclusive, and supportive school? You have found the right job posting. Read on!

Westgate Community School is Gifted Education for the Whole Child - Mind, Body, Community. We seek a Math teacher to fill an opening on our amazing High School team for the 2026-27 school year. Our high school program is small (about 100 students) and innovative. All students can earn an Associates degree from FRCC while completing their high school diploma. We balance the challenge of our academic programming by providing a safe space where students also explore the world through service learning and environmental education. As a teacher in our high school, you will teach three levels of math (Algebra I, Geometry, Algebra II and possible math elective) and be an integral part of a community of learners.

Westgate is a creative environment that honors the professionalism and talent of great teachers. If you have an entrepreneurial spirit and are willing to do education differently, we would like to meet you!
